Explanation:

\$1500 pays for a player to go on mission, this includes everything except for his lunches and spending money. With the price of airfare, hotels, and transportation, we run these trips on a very thin margin, we (ISO) make no money off of the trips and the money goes directly to expenses

Vehicle rental is the biggest costs associated with the trip. With fuel in Belize over \$6 per gallon, the cost of in country travel can add up quickly.

We always like to give every child a gift at every clinic. We have learned that while education in Belize is free, school supplies are not. We will be giving all the student a pencil bag with the ISO logo and a Bible verse on it, along with a New Testament at every clinic.

We have also established a scholarship fund to help 10 students with all their schooling costs for the whole year. \$150 will pay for all a students supplies (uniforms, paper supplies, pencils, markers, etc.)

Wednesday night is the big night during the trip, we will be at the Joan Garbutt Stadium in Esperanza, Belize, we will be busing in youth from all over the country for a "Youth Crusade Night", we have promised to supply (5) buses from all the corners of Belize the get the youth to the stadium.

All the baseball/ softball equipment is just one of the tools that we use to get in contact with the youth. Though the simple tools of a game we are able to openly share our faith in 10 public schools throughout the week.

Sponsorship:

ISO is funded through direct giving. The only way for us to supply all the "give aways" that we use as tools to reach children is through your help. None of the ISO staff are paid employees, we are all volunteers, who firmly believe in the mission that God has gifted us in. We cannot do it without the support of God's people.

Thank you!!!
